BIO HANDS

BACTERICIDAL HAND CLEANER

**ADDED SKIN CONDITIONERS •
EFFECTIVE BACTERICIDAL ACTION •
NON TAINTING FOOD SAFE FORMULA**

RECOMMENDED USE

High risk food preparation, kitchens, meat, fish, bakeries.
Medical, dental and veterinary.
Infection control systems, nursing and care homes.

USE FOR:

Bio-Hands contains skin conditioners to cleanse the skin thoroughly without drying. Formulated for use in environments where hands need to be continuously washed with a bactericidal soap to control the spread of bacteria.

DIRECTIONS FOR USE

Wet hands, apply **BIO HANDS** ensuring contact with the entire surface of the hand and wrist. Ensure that you interlace the fingers to clean these areas and use a clean nail brush to clean under the fingernails.

Rinse away with clean water and dry hands thoroughly.

To ensure total skin hygiene use H01 Pure Hands hand sanitiser.

ANTI-BACTERIAL FOGGER AEROSOL (200ml)

- Contains over 90% alcohol
- Effective against 99.9% of bacteria, yeast & enveloped viruses including coronavirus
- Total release fills areas up to 100m³
- Leaves an anti-bacterial layer on all surfaces

ANTI-BACTERIAL FOGGER fully conforms to BS EN 1276, 1650 and 14476 with an alcohol content above 90% giving a fresh Clean Linen fragrance.

ANTI-BACTERIAL FOGGER is a perfect solution where an area of up to 100m³ needs to be sanitized quickly such-as vehicles, public transport, medical areas and offices.

Within 15 minutes, all surfaces will have an anti-bacterial layer and the air would have been sanitized.

Product Code: 499863

Thermometer No Contact Infra Red Digital

No contact handheld infrared thermometer makes taking temperatures easy.

Simply point the thermometer at the person whose temperature you wish to take, then press the button – within seconds of pressing the button, the temperature will appear on the clear digital display.

It's fast and convenient and allows you to check your health and for signs of the virus in seconds.
